

"SUNNY JIM" AS REFEREE

"Sunny Jim" McCandless a returning passenger in the Pacific Mail steamship Manchuria was pressed into service by Captain Dixon of the big liner as a judge or referee for the pretentious program of sports and games that ruled the decks of the popular liner on the trip down from San Francisco.

An elaborate list of events was launched by the officers. "Sunny Jim" stated this morning that he found more than one occasion to exercise that famous smile during the award of the prizes to successful contestants.

The program and the winners in the big events are as follows:

Baseball, won by California All-Stars; relay race, Honolulu; tennis race, Miss A. Wodehouse of Honolulu; three-legged race, Messrs. H. C. Donnelly and Robert F. Ascher; Are You There George? H. C. Donnelly; walking race for ladies, Miss A. Wodehouse; children's race, Miss Lorene Kinner; cigarette race, Mrs. G. B. Bush and Dr. E. L. Woods; potato contest for ladies, Miss Francis Edmondson; hotshoe race, Lieut. C. L. Tinker; rooster fight, R. R. That Little Hacking Cough

Hard coughs are bad enough, to be sure. But it's often the little, hacking, tickling, persistent cough that means the most, especially when there is a history of weak lungs in the family. What should be done? Ask your doctor. He knows. Ask him about the formula on the label of every bottle of Ayer's Cherry Pectoral. Ask him if this medicine has his full approval for throat and lung troubles. Then do as he says.

Of the 800 thoroughbreds stabled at Emeryville last winter, less than a dozen, belonging to Barney Schreiber, still remain. These are in charge of Dave Henry, who is impatiently waiting for orders to ship away. With their departure the historic enclosure will be tenantless of both horses and men for the first time in its history.

RECREATIONS

SKATELLS AT THE BIJOU TONIGHT

Skatell is the name of the famous new team which will make its first appearance at the Bijou tonight, fresh from the mainland and recently from New York, where they have been giving their wonderful clog-dancing act on roller skates before packed houses. The mainland papers describe the act of the Skatells as one of the most difficult, yet attractive, of its kind. They waltz and do many difficult and weird feats, all on rollers.

They will make their appearance on the program tonight with Eva Mudge, the "Military Maid," who will give several clever character changes, appearing in each character of her sketch. She will again present the "Highwayman" character and scene, pronounced one of her best.

EMPIRE.

At the Empire a new artist will appear on the stage tonight. Alfreda Van Ness, a soprano singer, whose specialty is operatic, as well as high-class selections, will sing for her initial number "My Hero," from "The Chocolate Soldier," one of the hits of the season. Pastor and Merle, the favorites of the Empire audiences, will by special request put on "The Lazy Athlete" again, in which Pastor will give a wrestling match burlesque, which he has just originated.

SAVOY.

At the Savoy "Bobby" Pulliam, singer of coon melodies, will change her songs somewhat and will give one in particular, which is a catchy selection. This is "Hip-Hip-Hypnotize Me," followed by "Heaven Protects the Working Girl." George and Gott, the blackface comedians, will put on a lively and funny sketch entitled "The Fast Mail," full of comedy and side-splitting situations.

SHEFFIELD CHOIR SEATS NEARLY PAU

Sales of seats for the Sheffield choir concerts are now confined mainly to the matinee concert to be given at three o'clock on Friday afternoon, as the tickets for the evening concert are about exhausted. The first day's sale practically cleaned out the entire set of tickets for the evening. This is almost unprecedented in ticket sales.

The matinee seats are going fast but there are still many good ones. Mr. Adams calls attention to the fact that the matinee concert will not start until three o'clock giving ample time for business men and all alike to attend. The program for the afternoon is one which has been given in most of the Canadian cities and has been praised highly by all the musical critics.

SITE PETITIONS IN; NEXT STEP UNCERTAIN

Practically all of the petitions issued by the people agitating a change in the Federal building site were called in last Saturday afternoon. After a count that took all afternoon, it was announced that 5524 names had been secured, with several petitions to come, bringing the total up to about 5700 or 5800.

Attorney A. L. C. Atkinson said today that a meeting of the committee which is handling the petition-campaign would be held sometime this week to decide upon the next step, which will probably be the presentation of the petition at Washington.

According to several tests made by Liquor Inspector Fennell, many of the Chinese and Japanese wholesale houses are selling liquid refreshment in bulk in short measure demijohns. They have been notified to either get full capacity measures or else reduce their prices to conform with the amount they are really selling.
